COMFORT FOR LIFE

## "I'm a Daikin Comfort Pro"

Those five simple words can offer you comfort like you've never experienced. The words mean that the dealer you invited into your home is a highly-qualified and continuously-trained professional who will quickly, efficiently and effectively help to solve any of your indoor comfort needs.

All Daikin Comfort Pro dealers seek to achieve the highest levels of customer service, business integrity, and technical competency. These range from maintaining an excellent rating with their local Better Business Bureau (BBB) to taking continuing education classes on how best to install and service Daikin brand products. To retain this status, Daikin Comfort Pros must deliver their best abilities to each and every customer, year after year.

### **A commitment to your comfort**

Daikin Comfort Pros believe that a well-informed homeowner is the best possible customer. All Comfort Pros will take the time to help understand your unique comfort needs, assess the performance of your current indoor comfort system, and thoroughly discuss all options with you.

### **A commitment to provide you the right service and products**

Daikin Comfort Pros have access to one of the most complete lines of indoor comfort products and systems available. As the #1 manufacturer of indoor comfort systems and refrigerants in the world, Daikin offers you a full line of comfort solutions that ensures that a Daikin Comfort Pro can provide the perfect solution to your home.

### **A commitment to serve you over the long term**

Daikin Comfort Pros want to earn your business. They want to be your long-term provider for all your indoor comfort needs. To help deliver on this commitment, you can take peace of mind with the limited warranty\* coverage offered on your Daikin brand indoor comfort product or system. The Daikin Comfort Pro has access to one of the best limited warranty\* programs in the indoor comfort industry.

\*Complete warranty details available from your local dealer or at [www.daikincomfort.com](http://www.daikincomfort.com). To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration not required in California or Quebec.

# AIR HANDLERS/BLOWERS

UP TO 19.0 SEER PERFORMANCE

## *Comfort for life*

*Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world.*

*Daikin has been improving the comfort of its customers with exceptional products and services for many generations.*

*To explore all of our solutions for premium indoor comfort for life, visit [www.daikincomfort.com](http://www.daikincomfort.com).*

## *Elevate your expectations and get more out of your home's indoor comfort system performance*

As you think about the functionality of your home's indoor comfort system, the Daikin brand is ready to help you achieve control, energy efficiency and long-term peace of mind. Take that attention to quality one step farther by choosing a Daikin brand energy-efficient air handler or modular blower. We have designed and engineered all of our products to provide years of consistent indoor comfort – delivering you and your family premium comfort for life.

## *Bold performance*

A Daikin brand air handler or modular blower can help ensure your cooling or heating system provides reliable comfort and efficient performance. Available in sizes to match your new or existing system from 1.5 to 5 tons, select versions also offer energy-saving features like variable speed or multi-speed ECM blower motors. DVPTC and MBVC models are ComfortNet™ Communicating Systems compatible, and all coil versions are compatible with chlorine-free R-410A refrigerant. For replacement or new construction, a Daikin brand air handler will provide efficient comfort to your family for years.

*Efficient and dependable air handlers and modular blowers for worry-free comfort*

Daikin air handlers and modular blowers for home comfort systems provide an efficient solution for homes that need a quality solution for air delivery. The evaporator coils in the air handlers are all-aluminum, built with thick-walled tubing for durability and cooling performance. Daikin brand coils are compatible with chlorine-free R-410A refrigerant. Energy-saving, variable-speed and multi-speed Electrically Commutated Motors (ECMs) are available (in select models) for sequencing with new or existing systems.

You can count on a Daikin brand air handlers or modular blowers to deliver *Comfort for Life* to your family for years and years.

*The Daikin Comfort Promise*

Ultimately, the commitment to provide you with Comfort for Life is represented and reinforced in the Daikin Comfort Promise.

If, for any reason, the Daikin Comfort Professional has not met your expectations within one year of your equipment or system installation, please contact the installing Daikin Comfort Pro and ask them to honor the Daikin Comfort Promise. The

Daikin Comfort Pro will return to your house to resolve any issues that you have with your installation at no cost to you.

As part of formally maintaining the Daikin Comfort Pro distinction, the Daikin Comfort Pro will make all reasonable efforts to resolve any concerns you have within one year of your equipment installation. If a Daikin Comfort Professional does not meet your expectations, they risk losing the ability to sell Daikin products.

With the Daikin Comfort Promise, you can have peace of mind that your Daikin Comfort Professional will continue to earn your business well after the sale. If not, they cannot be a Daikin Certified Professional. Period.

**COMFORT-ENHANCING FEATURES:**

- 1 All-Aluminum Coil – with special grooved tubing provides efficient cooling and durability for long-lasting comfort.
- 2 Factory-Mounted Expansion Valve (TXV) – simplifies installation and precisely controls refrigerant flow for efficient cooling. (Models DVPTC, ASPT, and ARPT)
- 3 Variable Speed or ECM – provides gradual startup and shutdown for unobtrusive operation with lower energy consumption (compared to standard efficiency motors). Constant low-speed operation for outstanding filtration and comfort levels. (Models DVPTC, ASPT, ASUF and MBVC)
- 4 ComfortNet™ Control Compatibility – allows the use of convenient, specially-designed LCD thermostats, with option for wireless system access, providing setting changes and system monitoring via an internet connection. (Models DVPTC and MBVC)

## COMFORTABLE LIMITED WARRANTY\* PROTECTION

\*Complete Warranty Details available from your local dealer or at [www.daikincomfort.com](http://www.daikincomfort.com). To receive the 10-year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

## Comfort Efficiency

The air handlers with evaporator coils are compatible with outdoor air conditioners or heat pump systems rated up to 19.0 SEER (single or two-speed) and will provide you with quiet, dependable, energy-efficient comfort for years to come.

## PREMIUM COMFORT FEATURES:

### ComfortNet™ Premium Control System

The Daikin DVPTC Air Handler and MBVC are ComfortNet compatible. ComfortNet provides a host of comfort and convenience features for an entirely new level of home comfort control, starting with the easy-to-read full-color LCD display on the ComfortNet thermostat.

With either ComfortNet thermostat you can quickly change your programmed schedules and temperature settings through the user-friendly interface. The advanced CTK03 adds wireless network connectivity, so you can change your system settings remotely via the web. You can even use your smart phone.

The CTK03 ComfortNet thermostat will let you know when it's time to change your air filter, or when other system maintenance may be needed. You can customize the screen appearance of your thermostat, see the outdoor temperature, and even see a history of system changes you've made over time.

Ask your dealer about ComfortNet—control that's simple, accurate, automatic and very convenient.

- Quickly change programmed schedules and temperatures
- Know when it's time for maintenance or a filter change
- Customize screen appearance
- Display outdoor temperature and system history

Check with your dealer about installation requirements and current compatibility with different smart phone models.

Daikin brand air handlers are designed to maintain indoor comfort and energy-efficient operation.

#### ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

## DAIKIN: THE PREMIUM BRAND INDUSTRY LEADER

Daikin Industries, Ltd. (DIL) is a Fortune 1,000 company with more than 49,000 employees worldwide, making it the number one residential and commercial HVAC manufacturer in the world. Daikin is primarily engaged in developing heating, ventilation, air conditioning and refrigeration products. Its success comes from its focus on innovative, premium quality indoor climate and comfort management solutions.

Houston-based Daikin North America LLC and its U.S. affiliates assemble these products at their high-quality and ISO-certified plants. You can rest assured that your purchase supports local jobs and Daikin's commitment to operating with "American Pride". For more information, including learning about our commitment to support the communities in which we operate, please visit [daikincomfort.com](http://daikincomfort.com).

## Improving your home's complete indoor comfort system should not be an afterthought.

Whether it's time to replace a component in an existing central HVAC system, or to install a totally new system, Daikin brand products can provide dependable comfort and efficiency for your family – for every season – comfort for life.

### *ComfortNet™ System: comfort control from anywhere*

Many Daikin brand products are ComfortNet™ Communicating System compatible. If you seek ultimate home comfort, ComfortNet offers advanced diagnostics, automatic maintenance alerts, continuous monitoring of the system's performance and even remote monitoring and control options.

- Advanced Diagnostics
- Automatic Maintenance Alerts
- Continuous System Monitoring
- Remote Monitoring and Control

### *Clean Comfort™ indoor air essentials*

Indoor comfort in your home is about more than just adjusting the temperature on the thermostat. In fact, a central heating and cooling system offers just the basics with regard to enhanced comfort for you and your family. Indoor air quality products and systems quite frequently are treated as accessories. We define them as indoor air essentials:

- Filtration
- Ventilation
- Purification
- Humidity Control
